AQUATICA AND INFINITY PARTNERSHIP

In our search for new European lines to compliment our portfolio and reflect our ethos towards good design and exceptional quality, we discovered Infinity.

This exciting young Spanish company combines a raw passion for creativity with functionality and manufacturing excellence. Infinity uses both traditional materials and an intriguing palette of natural textures and cool greys, whites and seductive blacks.

THE RANGE

Coordinate your bathroom using a range of different finishes, from warm wood to marble, matt black, carbon and copper.

ESSENCES AND ELEMENTS

The Essences range will indulge your senses with a fusion of contemporary design and aromas. Wooden or Chrome covered capsules release a fragrance each time the tap is operated, transforming your bathroom into a relaxing world of aromatherapy.

Choose from HIM, HER and HOME bouquets.

The Elements range incorporates natural tactile features in wood and marble bringing the natural beauty of the outside into the intimacy of the home's most personal space.
