Price Increases

It has been 3 years since our last price increase and, during that time, we have seen mounting pressure in the cost of raw material, freight and local costs. As a result, we have had a 3 to 10% increase across all products which became effective on 1 December 2013.

Two new Price Books were mailed out to all customers during the last week of November. If you have not received them, or require additional copies, please contact us by phone, fax or email (see over for details).

Aquatica wins Placemakers' Award

Each year, PlaceMakers hold a conference during which time supplier awards are handed out. One such award is "Best Medium Sized Supplier" which recognises outstanding products, customer service and support. As you can imagine, PlaceMakers have hundreds of suppliers supplying hundreds of items so there are plenty of companies in the running for such an award. Voting is carried out by all PlaceMakers staff throughout New Zealand.

This year's PlaceMakers' Conference was held at SkyCity in Auckland and it was with great pleasure that Aquatica's Managing Director, Malcolm Box, accepted this year's "Best Medium Sized Supplier" award. During his acceptance speech, he thanked PlaceMakers' staff for voting for Aquatica.

While Aquatica are proud and pleased to accept the 2013 Award, you can be assured that they will not sit on their laurels but will do their utmost to reclaim it again next year.

And now it's time for the Christmas decorations...
