1 January & 2 January	Closed
5 to 9 January	Reduced staff levels
13 January onwards	Normal service resumes

Aquatika Long Service Staff 15 Years of Service as at 1 December 2014

Christina Box
Finance Director

Malcolm Box
Managing Director

With 2014 drawing to a close, Aquatika is both proud and pleased to have celebrated 15 years in business. Now is an opportune time to congratulate the original members who still call Aquatika home.

Company owners, Christina and Malcolm Box, undoubtedly have the same passion for the business as the day they first started it, thanks no doubt to their relationship with all staff members. One can imagine that, even while on one of the cruises they've undertaken in recent years, their thoughts have probably been focussed on getting back to port to check on the welfare of their staff (yeah right!) In fact, while this may be said with tongue in cheek, it wouldn't really surprise anyone if it wasn't actually true.

Pamela Williams
Accounts Support

Len, our engineer, was best described by Mal at one of our recent training sessions when he said: "If I was stuck on a desert island, the person I'd want with me is Len. He can make anything work and I bet within the first week of being marooned, he'd have found a way to make cappuccinos out of coconuts".

Pam has been involved with the company's accounts since Aquatika's inception. Being Mal's older sister, she has also most probably had the job of ensuring he's had just enough pocket money to survive on!

Len Becroft
Production Engineer

Dave Chiverton
South Island Sales

Dave (Get a decent football team... "Portsmouth"? Really?) Chiverton looks after sales in the South Island. Those who have the pleasure of meeting him usually come away with a big smile - which isn't out of pity for the club he supports but is actually because of his infectious personality.

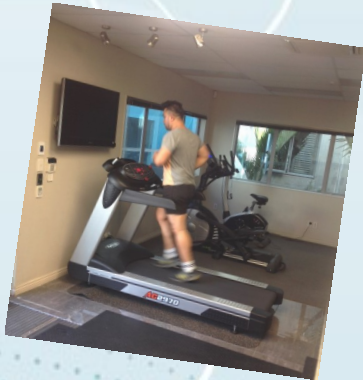

Congratulations to all Aquatika's long serving staff members.

Before the Christmas festivities begin
It's time to get fit in Aquatica's Gym

As part of Aquatica's on-going initiative to give back to its staff, we have recently opened a gym on the premises. This has been fitted out with top of the range equipment so who knows..... the next Arnold Schwarzenegger may well be on the horizon.

**The Team @ Aquatica wish you a
Happy and Peaceful Christmas**

Who Is Your Rep?

Auckland:	Andrew Fordyce	021.424.441
Northland/Mid North Island:	Tony Shirley	021.046.8481
Lower North Island:	Peter Kruk	021.898.383
