

Volume 13
November 2011

God Rest Ye Merry Gentlemen

*God rest ye merry gentlemen and all you ladies too!
T's time to talk of Christmastide and all that we can do
To get your orders – big and small – delivered right to you
With our tidings of comfort and joy*

*Please get your orders in by noon, December 21st
Dispatching them immediately - on that we're well rehearsed
We'll push ourselves to get them out, sent in one final burst
With our tidings of comfort and joy*

*Then after it's all over and we've had our Christmas fun
A couple of us caring souls will make the year-end run
To check the office messages and contact any one
With our tidings of comfort and joy*

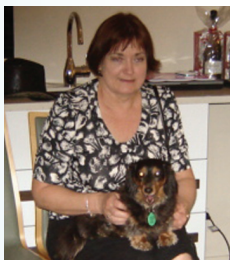

*Eventually we'll all come back on Monday 9th of Jan
We'll start to organize the year, continuing with our plan
For all of us to help you out in any way we can
With our tidings of comfort and joy, comfort and joy,
With our tidings of comfort and joy.....*

Meet the Staff @ Aquatica

Vanessa Pickering, Accounts

Vanessa is pictured with Malcolm & Chrissy Box's little dachshund Dasha

Vanessa joined Aquatica in October 2006 following a varied career in accountancy in both England and South Africa. With husband, Glynn, also an accountant, one would think one of their children, Gemma or Dean, might follow in their footsteps – but it's not looking likely at this point. Their sweet spaniel, Zinnie, and lovely MalteseX, Frosty, along with Kelly the cat, complete the family.

In her spare time, Vanessa enjoys going to the Gym as well as to a monthly Book Club Meeting with her friends. She also enjoys participating in the occasional FunRun (Round the Bays, Auckland Half Marathon and SA Comrades Marathon to name but a few).

Vanessa is a good cook and often brings in cakes for morning tea. Her orange cake was a great hit with the Boss, even though he complained she had "stolen his recipe".

We are happy for her to "steal" as many recipes as she likes - as long as she keeps the cakes coming!

Aquatica's Volume 7 brochure is now available.

With an extra 12 pages, the brochure showcases our new tapware ranges - Q1, Iso, Mia and itap.

There are also three new ranges of accessories - Kudos, Porsha and Lania.

And last but not least, there's Aquatica's new T-Shower (see over).

If you would like a copy of our new brochure, please contact us or request it with your next order.

We're on the Web!

NEW

T-Shower

For the ultimate experience in showering, Aquatica's new "top of the range" T-Shower is undoubtedly a winner. This electronically controlled shower system comes with up to eight different types of water spray, LED chromotherapy colour control and a memory function. But that's not all. It also has a multimedia world so you can enjoy music or movies while you shower.

With water temperature, flow function, lighting and multimedia all controlled from one 7" waterproof, colour, touch screen, what more could any discerning home owner want?

Introducing our new Cistern Tap & Pipe

Comes complete with chrome flange, cistern tap and 300mm long flexi pipe.

Nicely blister-packed and ready to hang-sell.

[I'm told "every toilet needs one"!!! Editor]

NEW

Shower Mixer Divertor

NEW

Over the years, many people with a shower over their bath have had to put up with poor flow performance.

But not any more .

Aquatica's new range of Shower Mixers with Divertor are suitable for low pressure.

Each of these new mixers is fitted with our new 45mm cartridge which gives the best performance on low pressure.

Check out our new brochure to see what ranges this new low pressure diverter mixer is available in.

New 45mm cartridge

Compared to a normal shower mixer cartridge (left), the new EziMix 45mm cartridge (right) is so much bigger, allowing better flow on low pressure.
