

Flexi Shower Mixer

Code: X-STREAM FLEXI

Finish: Chrome

- High performing venturi-action for better performance on low pressure systems
- Multi-positional brass connections for easy installation
- No fixing to studs or nogs, just clamps to the shower lining
- Anti-scald feature limits hot water temperature to prevent accidental scalding

Faceplate diameter: 140mm

Handy Tip: Just screw in a handshower hose and go!

Specifically designed for low pressure hot and high pressure cold. Will also operate at equal high or low pressure.

Recommended Pressure
Operational Range:

Minimum: 20 kPa
Recommended: 600 kPa
Never to Exceed: 1000 kPa

Maximum Operating
Temperature: 70°C

Aquatika Warranty

Aquatika NZ Limited offer, from the date of purchase, a 2 year warranty on handshowers, a 5 year warranty on tapware and accessories and a lifetime warranty on stainless steel sinks.

Aquatika NZ Limited warrants that only high quality workmanship and materials have been employed in the manufacture of its tapware, accessories and stainless steel products. If any faulty workmanship or materials is proven during the warranty period, Aquatika NZ Limited will at its own cost repair, or at its option replace, the faulty product.

The guarantee is non-transferable and proof of purchase is required.

The use of spray or abrasive cleaners of any kind will void the warranty. (Tapware should only be cleaned with a mild detergent and a soft damp cloth).

Failure to use an in-line strainer or filter on lines to tapware incorporating a ceramic cartridge or ceramic disc mechanism may also void the warranty.

Every effort has been made to show the products as they will be sold, however, all models and specifications are subject to change without notice.
